- Welcome back and thank you to Kishore Bobba for taking over as President of the PTC.
- A big thank you to the PTC for the annual family BBQ. It was a great turn out and it seemed like people really enjoyed the event.
- The year has begun smoothly and the kids are into routines now. It's hard to believe but we are half-way through the first trimester the last week in September.
- Please encourage parents to utilize the district website and Glen Crest page to find information. We are making a strong effort to make sure dates are on the calendar and that information is kept up to date.
- Google classroom emails were sent out.
 - Reminder -google classroom emails will only contain homework assignment announcements. PowerSchool should be used to check grades and monitor missing assignments. If anyone needs help accessing either of these resources, please refer them to the main office.
- We are looking for an additional parent representative for our School Improvement Team. The team meets monthly at 7:15, typically on a Wednesday morning. Jen

Brzezinski has agreed to return. We need at least one more parent, typically a PTC board member. If none of the board members can do it, they can ask someone else. Anyone interested should let Mrs. Price know ASAP. The parent perspective is very important on this team.
